

2007 ROBINSON SECONDARY SCHOOL INDOOR ENSEMBLE ~ ANNOUNCEMENT

The art of illusion known as MAGIC has been entertaining audiences as far back as the Egyptian civilization. The Robinson Indoor Ensemble will offer for your entertainment a delightful performance of illusions whose secrets are known only to professional magicians --- Harry Houdini, Robert Harbin and David Copperfield.

The music which accompanies our Stage Magic was arranged by Tim McKay and the visual transformation was designed by Jeff Wrobleski. Our show opens to a prelude to Carlos Santana's "*Black Magic Woman*". *Be amazed* by the reveal of the battery percussion, *watch as you are baffled* by Dalton Jones and his slight of hand and *please pay particular attention* to the incredibly deceptive visual ensemble during Grammy featured artist - THE POLICE and their single "*Every Little Thing You Do Is Magic*".

The ensemble is under the student direction of: Paul Amico, Gun Cho, Amanda Dun, Chrissy Hackman, Allison Johnston and Chris Lamb. Adult Directors and instructors include: Christian Galoci, Kathy Moore, Karen Donais and Jay Walker.

A warning to small children and the faint of heart --- the illusion "ZIG ZAG GIRL" hailed as one of the greatest illusions every invented ... will be performed live... by DALTON, his assistant "Alissa" will be totally unharmed!

On behalf of Robinson Secondary School Band Directors:
Michael Cook and Denny Stokes please enjoy the stage
performance of ...

"EVERYTHING WE DO IS MAGIC".
